

Exhibit 1

This is to confirm that the facilities under the license are in support of Internal Research and Development (IR&D) as well as in continued support of the same contract previously identified to the Commission (Contract No.: FA8615-12-C-6016; Agency: USAF/AFMC/AFLCMC (AF LIFE CYCLE MANAGEMENT CENTER); Contract POC: Steve Nemeth, Lead Avionics Engineer, Taiwan; AFLCMC/WWME (F-16 Engineering Branch); 2725 C Street, Area B Bldg 553; Wright Patterson, OH 45433-714; Tel: 937.904.6607).

Accordingly, retention of the XD Station Class remains appropriate.
